General information on UACES

**Please visit our web-site [www.uaces.org](http://www.uaces.org) , which lists our full range of activities, so you can see the full range of workshops, conferences and seminars that we are undertaking in the coming months.**

As far as headline activities go, I would draw your attention to the following:

\* Our publications: JCMS (Journal of Common Market Studies), which is the leading academic journal in the field, the Contemporary European Studies book series (with Routledge), and the Journal of Contemporary European Research (a peer-reviewed online journal: [www.jcer.net](http://www.jcer.net))

\* **Our Annual Conference, which is the biggest such event in the field. This year's event takes place in Edinburgh, between 1-3 September 2008, and the 2009 event will be in Angers, Loire Valley, France, 3-5 September 2008.**

\* Our programme of sponsored workshops, conference and events

\* Our on-line directory of expertise, [www.ExpertOnEurope.com](http://www.ExpertOnEurope.com)

\* Our programme of monthly seminars for Brussels policy-makers and researchers, hosted with and at The Centre in Brussels

\* Our Annual Lecture, which is hosted with the EPC in Brussels or London, given by a high-profile practitioner (this year, the Lecturer is M. Gerard Errera, former French ambassador to the UK, and now in the Quai d'Orsai)

\* Our active Postgraduate Forum, which runs its own conferences and study networks (with help from more senior academics as required).
